

Edge Of My Seat

John - A

Verse 1

Well, I thought that I had seen most everything^{A G#}
And if jaded was a people, I'd be the king^{C#m}
So cold to what a brand new day could bring^{A G#}
So icy cold to all the wonder that should be movin' me^{C#m}
Overthinking You, hot like June^{A G#}
I'm jumpin' out my skin just tryin' to catch of a view^{C#m}

Chorus

You got me on the edge^A
Got me on the edge of my seat^{G#}
I can feel it rushin' over me^{C#m}
I can feel it rushin' over me
x2

Verse 2

Lost all my worries, feels like Christmas came early^{A G#}
Yeah, I can stay here day and night and never feel no hurry^{C#m}
Needless to mention, Lord, You got my attention^{A G#}
My eyes are wide with wonder, feelin' for the soul ascension^{C#m}
'Cause no one else is ever gonna do for me^{A G#}
Ever gonna do for me what You'd do for me, yeah^{C#m}
Ain't no one ever gonna steal the mystery You put right in front o' me^{A G# C#m}
Right in front o' me, yeah

Bridge

You are openin' my eyes^{A G#}
You're openin' my eyes, Lord^{C#m}
To brand new possibilities
You are openin' my eyes^{A G#}
You're openin' my eyes, Lord^{C#m}
To brand new possibilities
